***The Stock Closes the Day Higher at HK\$4.82 Per Share  
Up More Than 60% Over Offer Price***

HONG KONG, 11 March 2015 – **KTL International Holdings Group Limited** (“KTL International” or the “Company”), an integrated fine jewellery provider and an original design manufacturer with a well-established operating history in Hong Kong, commenced trading of its shares on the Main Board of the Stock Exchange of Hong Kong today.

KTL International’s shares were actively traded and saw impressive price movement on the first day of its trading. Its share price reached an intra-day high of HK\$5.00 per share and closed at HK\$4.82 per share, approximately 66% and 60% higher than the offer price of HK\$3.00 per share, respectively. A total of approximately 21.31 million shares changed hands on turnover of approximately HK\$94.26 million.

**Mr. Kei York Pang, Co-Chairman, Executive Director and Chief Executive Officer of KTL International**, said, “Today marks a significant milestone in the history of KTL International as we make our debut on the Hong Kong Stock Exchange. It also opens an exciting new chapter for us with our entry into the capital markets. We are pleased to have received such a positive response to our public offering, and we will leverage the valuable opportunities presented by the listing to further raise our competence in terms of platform and capital.”

**Mr. Li Man Chun, Co-Chairman, Executive Director and Chief Operating Officer of KTL International**, added, “The global fine jewellery market is dynamic offering immense potential. As we forge ahead with our business developing further in the coming years, we are committed to becoming a leading player in the fine jewellery market by expanding our market presence and diversifying our product offerings. We will continue to pursue our growth strategies of replicating our success by strengthening our design capability as well as sales and operating capabilities on all fronts.”

###

#### **About KTL International Holdings Group Limited**

KTL International is an integrated fine jewellery provider and an original design manufacturer with a well-established operating history in Hong Kong. Primarily engaged in designing, manufacturing and exporting fine jewellery to jewellery wholesalers and retailers, the Company’s customer base has spanned over Russia, the Americas, other European countries, the PRC and the Middle East. According to IPSOS, KTL International ranked second among the top five fine jewellery export manufacturers in Hong Kong in 2013 in terms of export value.
